## Rebate Grant Application

### Form 5: General Certifications (Page 1)

This section serves to assure the TCEQ that you understand and agree to the statements. These provisions relate to the basic contract form which will be in force between the applicant and the TCEQ upon award of a grant. TCEQ urges applicants to download a copy of the example grant contract from [www.terpgrants.org](http://www.terpgrants.org) and review it so that any questions can be discussed early in the application review process. By signing this application, the applicant assures and certifies that:

1. **Legal Authority.** It possesses legal authority in the State of Texas to apply for the grant and that the applicant's governing body has authorized the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the authorized official to act in connection with the application and to provide such additional information as may be required.
2. **Uniform Grant Management Standards.** It will comply with the Uniform Grant Management Standards (UGMS), adopted June 2004 by the Texas Comptroller of Public Accounts in accordance with Chapter 783, Texas Government Code. This document is available at: <http://www.window.state.tx.us/procurement/catrad/ugms.pdf>
3. **Procurement of Goods and Services.** In procuring goods and services, it will comply with Part II. Cost Principles for State and Local Governments and Other Affected Parties and Part III. State Uniform Administrative Requirements for Grants of the UGMS. All procurement transactions will be conducted in a manner providing full and open competition.
4. **Historically Underutilized Businesses (HUBs).** Qualified HUBs, as defined and designated under state law, shall have the maximum practicable opportunity to participate in the performance of the work arising out of this project.
5. **Conflict of Interest.** Applicant has not given, offered to give, nor intends to give at anytime hereafter, any economic opportunity, future employment, gift, loan gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted application. Under Government Code § 2155.004, no person involved in the preparation of the Request for Grant Applications may have any financial interest in this application. If applicant is not eligible, then any contract resulting from this application shall be immediately terminated. Furthermore, under Section 2155.004, Government Code, the applicant certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.

8. **Audit.** Pursuant to Section 2262.154 of the Texas Government Code, the state auditor may conduct an audit or investigation of the vendor or any other entity or person receiving funds from the state directly under this contract or indirectly through a subcontract under this contract. The acceptance of funds by the applicant or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the applicant or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Applicant will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the vendor and the requirement to cooperate is included in any subcontract it awards.
9. **Debt to the State.** It is not indebted to the state or has an outstanding tax delinquency. It further understands that the Texas Comptroller is precluded by law from paying a person who is indebted to the state or has a tax delinquency. The applicant must comply with all State and Federal tax laws and fee requirements and is solely responsible for filing all State and Federal tax and fee forms.

**11. Contracting with an Executive of a State Agency.** Under Government Code § 669.003, relating to contracting with an executive of a state agency, Applicant represents that no person who, in the past four years, served as an executive of the Texas Commission on Environmental Quality (TCEQ) or any other state agency, was involved with or has any interest in this Application.
